Thessaloniki, June 2026

Dear MUN Director, Advisor, and Colleague,

On behalf of Anatolia College, it is our distinct pleasure to invite you to the **22nd Anatolia College Model United Nations (ACMUN)** conference, to be held on our campus from **February 12–14, 2027**.

As a **THIMUN-affiliated** and internationally recognized event, ACMUN is dedicated to upholding the highest standards of debate and diplomacy for high school students (ages 14–18). Each year, our conference provides a dynamic platform for delegates to grapple with pressing global issues, enhance their public speaking confidence, and emerge as thoughtful, collaborative leaders.

This year's conference will feature our standard **General Assembly committees** alongside specialized bodies such as the **Security Council, ECOSOC**, and the **EU Council of Ministers**. Furthermore, we are thrilled to host the **International Court of Justice**, our traditional **Historical Committee**, and an exciting new addition to our roster: **the United States Senate**. Please note that these latter three forums are reserved for more experienced delegates in grade 10 and above.

Additionally, we highly encourage ambitious students in grades 11 and 12 who are seeking a leadership challenge to apply for **Student Officer positions by October 16, 2026**.

Official registration for this year's session will open **on September 1, 2026**. Early registration runs through **October 30**, and late registration closes **November 27**. For details regarding fees, logistics, and committee options, please consult the **ACMUN Administrative Handbook**. For any specific inquiries, feel free to reach out to us directly at info@acmun.gr or +30 2310 398373.

We eagerly anticipate welcoming your delegation to our campus for a weekend of rigorous debate and meaningful diplomacy.

Warm regards,

Pieter Derluyn
ACMUN Director
